

MyGearTag is the ultimate solution for locating your lost fishing gear. With cutting-edge underwater acoustic positioning technology, you can quickly and easily find the exact position of your fishing gear, no matter where it may be. With an intuitive, easy to use app you are able to follow directions to your gear. Now, you can fish with complete peace of mind, knowing that you'll never have to waste precious time searching for lost gear again.

BENEFITS

Easy To Use App – An easy to use app with a simple directional tool to assist you in finding lost gear.

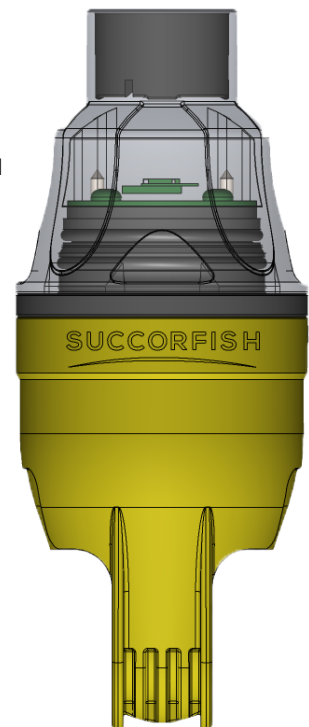

Unique ID – Each MyGearTag is registered to the user with a unique ID, meaning other fishers are not able to find your gear.

Robust Design – MyGearTag is housed in a ruggedized enclosure, designed to be installed with all fishing gear types.

Underwater Location – Utilizing underwater acoustic technology, you are able to locate lost fishing gear.
